PREFATORY NOTE.

THIS volume completes the Digest of the Register of Marriages for the Parish of Edinburgh which the Society proposes to print. It contains the period from 1751 to 1800 inclusive. It has been printed by the kind permission of Sir J. PATTEN MACDOUGALL, Registrar General and Deputy Clerk Register.

As in former volumes, the full information is only given under the name of the man. The date, unless where otherwise stated, is that of Proclamation.

The spelling of the Register has generally been printed as given therein, except, in order to facilitate reference, names may have been modernised.

The abbreviations used in the previous volumes have also been continued in the present one.

ERRATA.

Page 317, line 1, for Caldova read Caldom, and for John read James.
